# ADMIN DASHBOARD

The screenshot displays the MiniMinds Admin Dashboard in a web browser. The browser's address bar shows the URL `http://localhost:5173/main/dashboard`. The dashboard features a dark sidebar on the left with navigation options: Home (selected), Parents, Kindergartens, Features Category, Chats, Broadcast, Notifications (with a red badge), and Logout. At the bottom of the sidebar, the user is identified as 'Admin' with the email 'asmaa17@gmail.com'. The main content area is titled 'Admin Dashboard' and contains a section for 'Admin Dashboard Statistics' with eight data cards:

Category	Value
Verified KGs	27
Unverified KGs	2
Total Parents	12
Total Children	21
Avg Children/Parent	2
Enrolled Children	9
Avg Enrolled/Kindergarten	0
Active Students	7
Inactive Students	3
Graduated Students	2

The Windows taskbar at the bottom shows the system tray with the date and time: 6:40 PM, 5/17/2025. The taskbar also includes the Start button, a search bar, and several application icons.

# ADMIN DASHBOARD

The screenshot displays the MiniMinds Admin Dashboard in a web browser. The browser's address bar shows the URL `http://localhost:5173/main/dashboard`. The dashboard features a dark sidebar on the left with the following menu items: Home (selected), Parents, Kindergartens, Features Category, Chats, Broadcast, Notifications (with a red badge '1'), and Logout. At the bottom of the sidebar, the user is identified as 'Admin' with the email 'asmaa17@gmail.com'. The main content area includes two summary cards: 'Inactive Students' with a count of 3 and 'Graduated Students' with a count of 2. Below these is a 'Students Statistics' section containing a pie chart showing the gender distribution (Male and Female) and a table of student counts by kindergarten name. The table is filtered by 'Palestine', 'Nablus', and 'Active' status.

# CONSTRAINTS

---

**01**

Limited experience with mobile app development

**02**

Google Maps API free trial expired early, affecting testing

**03**

Android Studio emulator lagged and crashed often

**04**

Extra time needed for researching tools and tech

# FUTURE WORK

- 01 Expand AI-powered personalization features.
- 02 Add multilingual support.
- 03 Improve accessibility (e.g., screen readers, voice commands).
- 04 Collaborate with kindergartens for real-environment testing.
- 05 Ensure compliance with education regulations.

# CONCLUSION

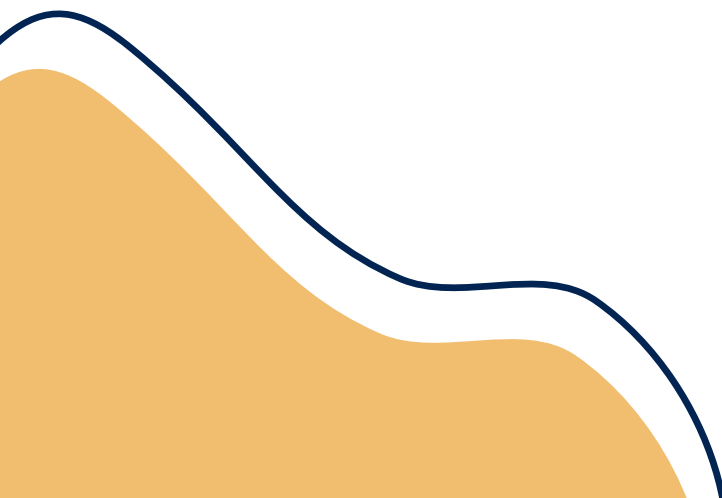

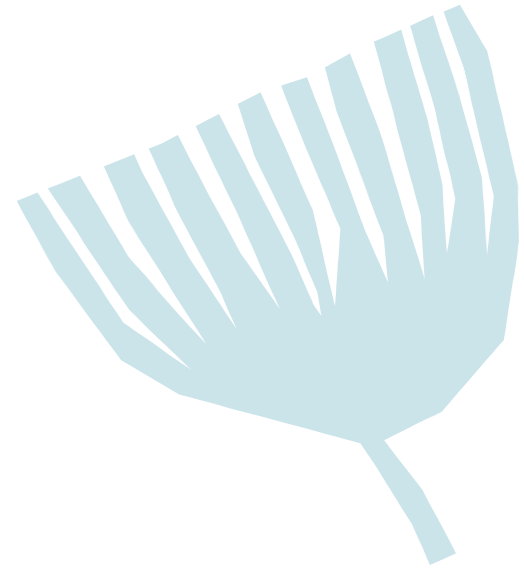

MiniMinds simplifies kindergarten enrollment and communication.

Designed to meet real-world needs of parents and kindergartens.

Highlights the value of user-friendly, practical digital tools.

Success depends on user feedback and adaptability.

Continued focus on real-life testing and usability is key.
