

**GOOD**

**HEALTH**

# Team

**Mohee Qwareeq**

**Amjad Kayed**

**Project supervisor:**

**Dr.Ashraf Armoush**

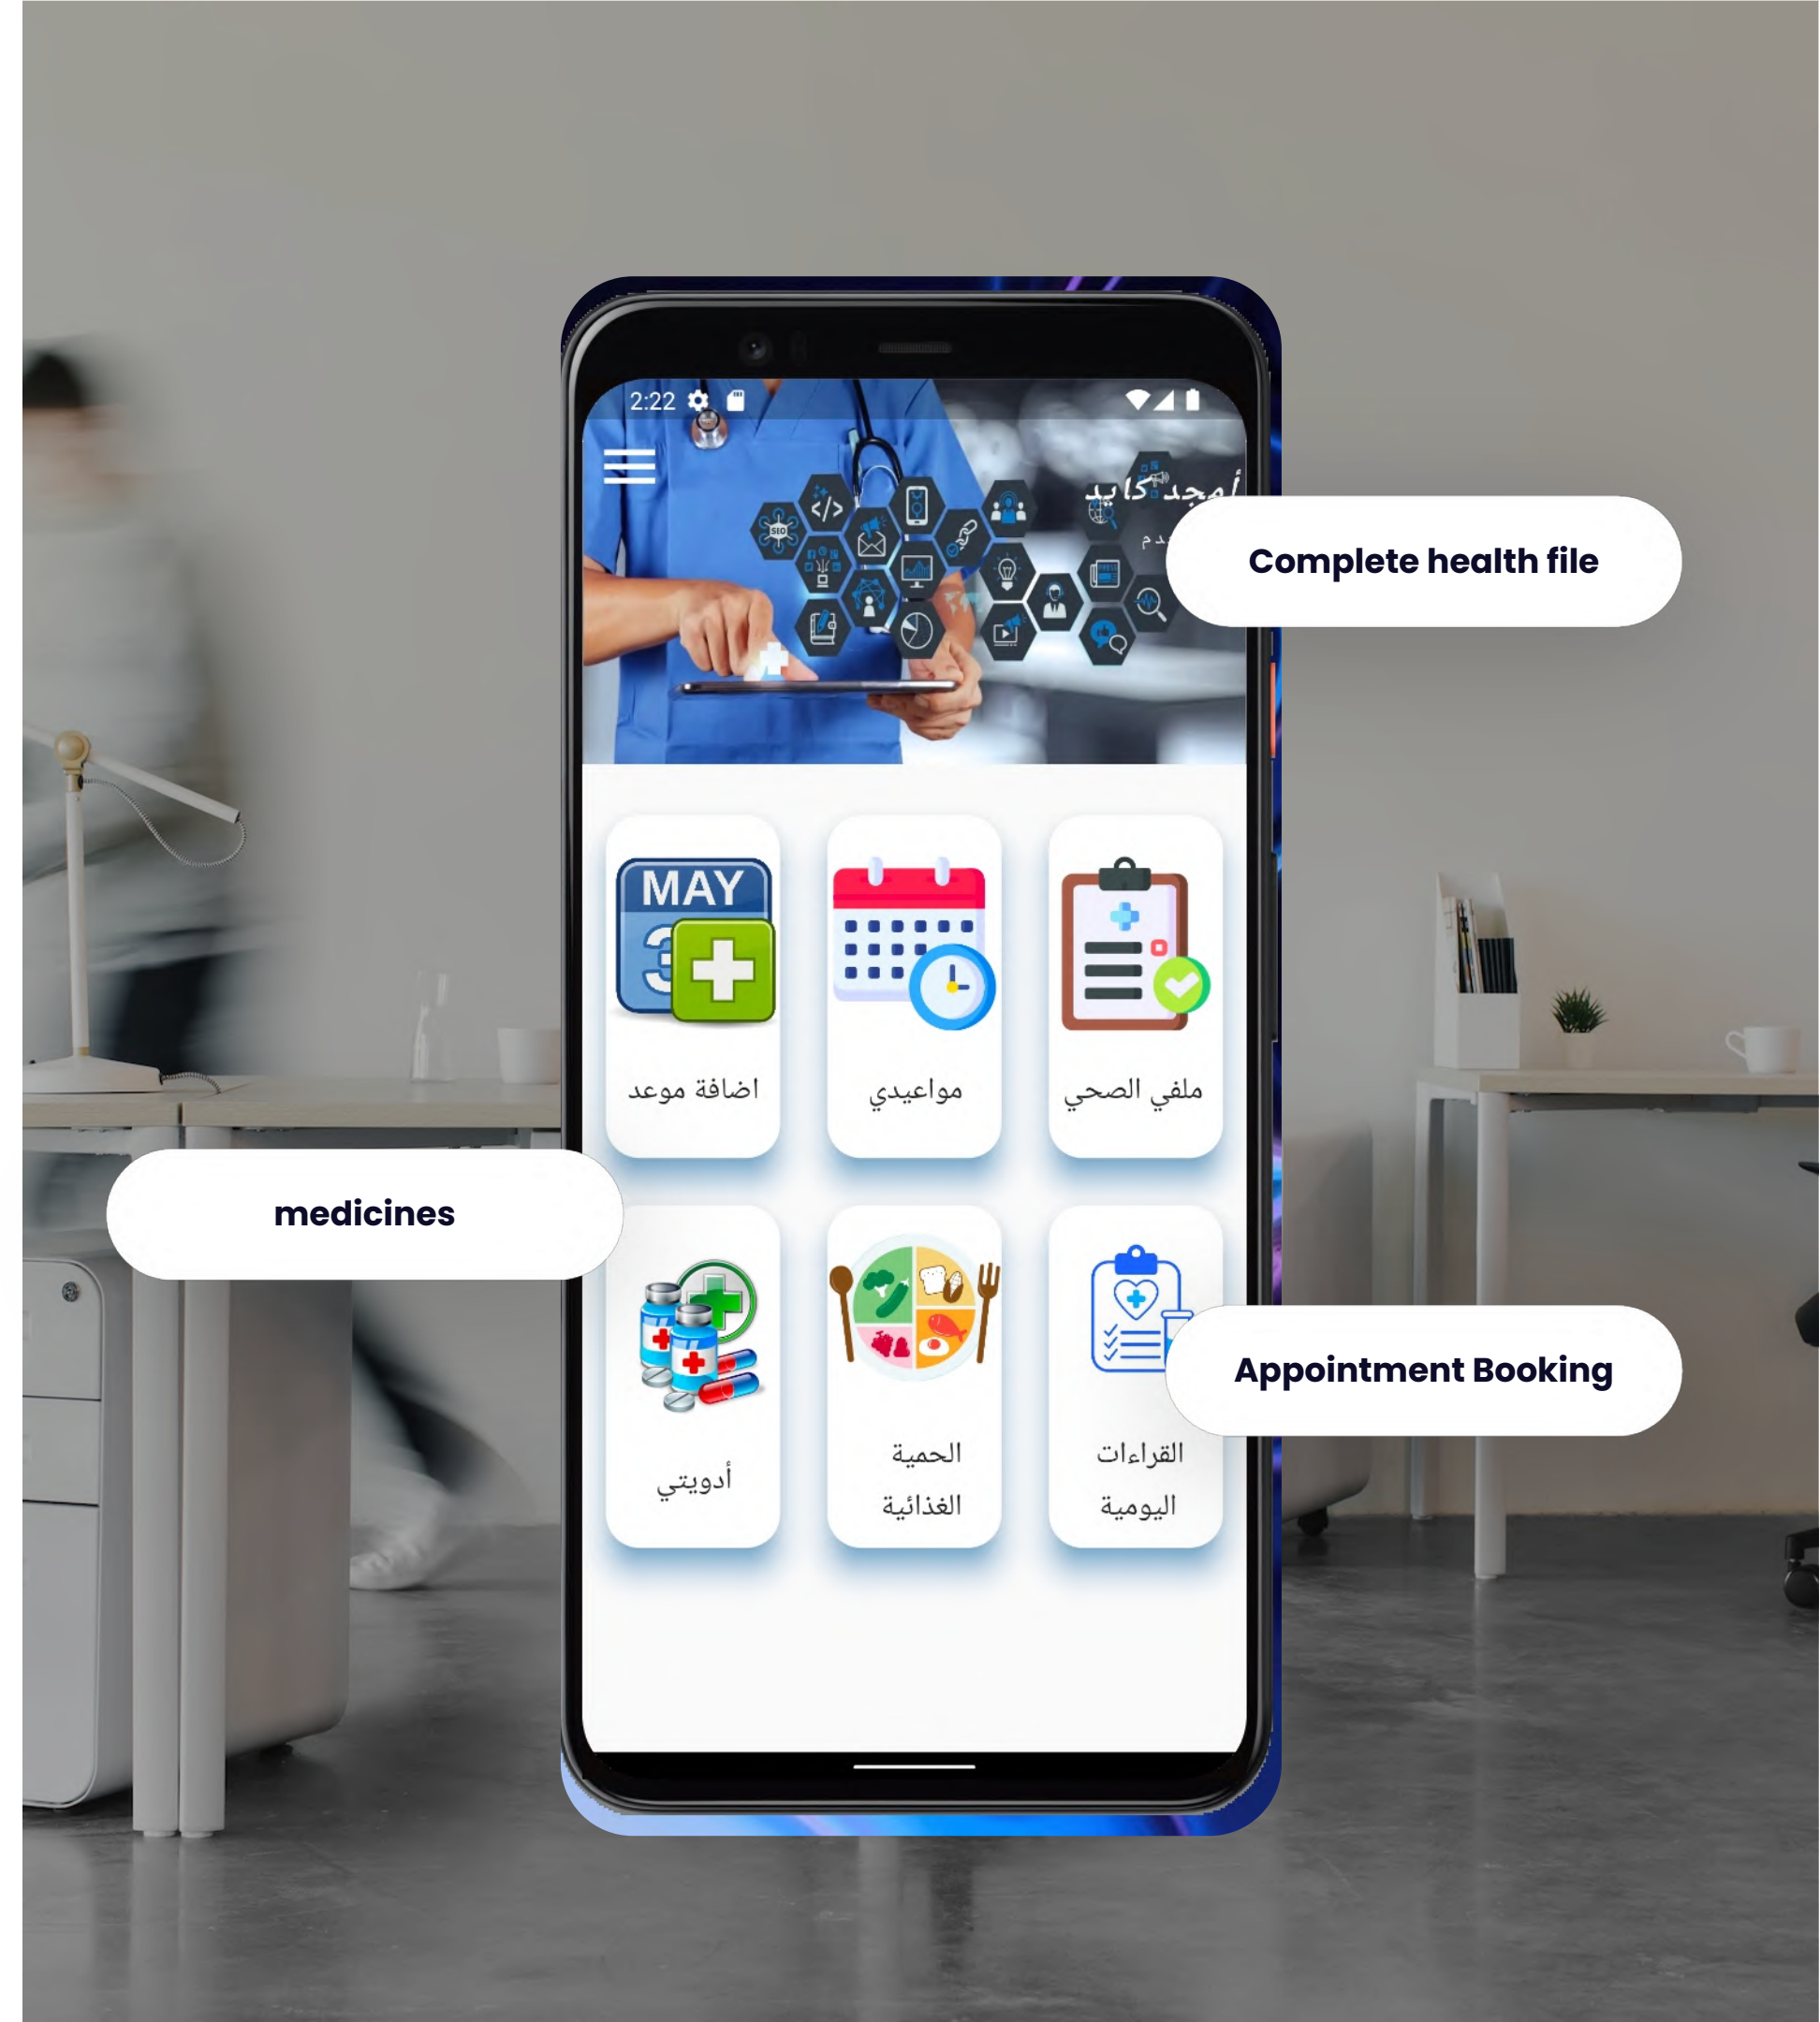

# What is the problem ?

Patient data is saved using papers, files and records, which makes the process of accessing all their data not easy

# Our solution

A **good health** system that contains all the health files of patients and enables patients to book appointments with doctors

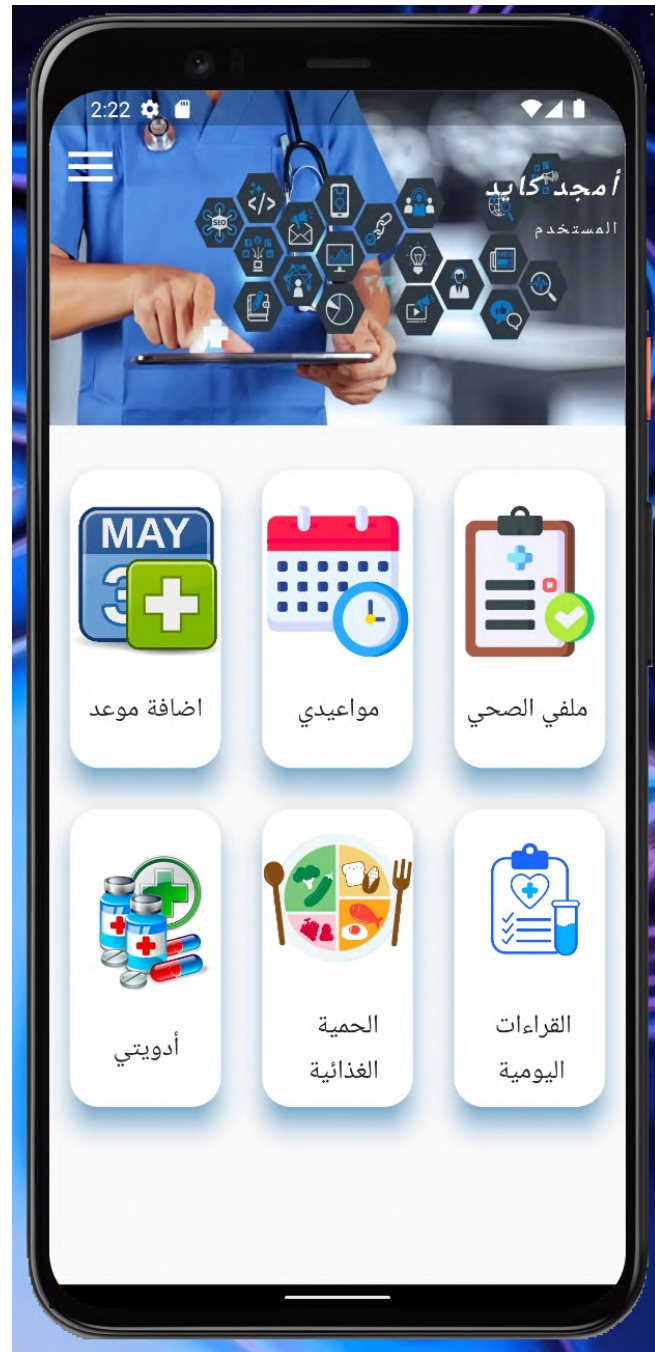

Complete health file

medicines

Appointment Booking

# who uses good health

Patient user

Doctor user

The image shows a smartphone screen with a medical application. The status bar at the top shows the time 2:58 and various system icons. The app's header is blue with the text "القراءات اليومية" (Daily Readings) and a hamburger menu icon. Below the header is a large image of a blue stethoscope. Underneath the stethoscope is a dropdown menu labeled "المرض" (Disease) with a downward arrow icon. Below that is a text input field labeled "قراءة اليوم" (Today's Reading). At the bottom of the form is a blue button labeled "ادخال" (Enter).
