# OVERVIEW

# HIGHLIGHTS

The screenshot shows the TRAINLINK dashboard. On the left is a sidebar with navigation options: Overview, Highlights, Company Manage, Report Tracking, Student Review, End of training, and Forms. The main area features a search bar with 'Location' and 'Framework' filters. Below it is a table of students:

Id	Name	Group	
<input type="checkbox"/>	12555	Exalt	Django-24
<input type="checkbox"/>	12444	Asal	Flutter-24
<input type="checkbox"/>	12444	Asal	Angular-24
<input type="checkbox"/>	12222	ITG	React-24
<input checked="" type="checkbox"/>	12333	Harri	ASP-24
<input type="checkbox"/>	12333	Harri	JS2024

Below the table is a detailed view for 'Harri' (ASP-24). It shows 'Number of students: 3' and a 'View students name' button with a red arrow pointing to it. The training topic is 'Asp.Net iths a good backend framework' and the current phase is 'Interview', also indicated by a red arrow.

# INTERVIEW

# EXAM

The screenshot shows the TRAINLINK dashboard with a different student selected. The sidebar is the same. The search bar is present. The student table is shown with 'Exalt' (Django-24) selected:

Id	Name	Group	
<input checked="" type="checkbox"/>	12555	Exalt	Django-24
<input type="checkbox"/>	12444	Asal	Flutter-24
<input type="checkbox"/>	12444	Asal	Angular-24
<input type="checkbox"/>	12222	ITG	React-24
<input type="checkbox"/>	12333	Harri	ASP-24
<input type="checkbox"/>	12333	Harri	JS2024

The detailed view for 'Exalt' (Django-24) shows 'Number of students: 2' and a 'View students name' button. The training topic is 'Developing students programming capabilities' and the current phase is 'Exam', indicated by a red arrow pointing to the 'Exam' text.

# HIGHLIGHTS

The screenshot shows the TRAINLINK dashboard. On the left is a navigation menu with options: Overview, Highlights, Company Manage, Report Tracking, Student Review, End of training, and Forms. The main area features a search bar with filters for Location and Framework. Below is a table of training groups:

	Id	Name	Group
<input type="checkbox"/>	12555	Exalt	Django-24
<input type="checkbox"/>	12444	Asal	Flutter-24
<input checked="" type="checkbox"/>	12444	Asal	Angular-24
<input type="checkbox"/>	12222	ITG	React-24
<input type="checkbox"/>	12333	Harri	ASP-24
<input type="checkbox"/>	12333	Harri	JS2024

The detailed view for 'Asal' (Angular-24) shows 3 students and a training topic: 'Develop Stusents appilites in Angular Framework'. The start date is 2024-1-28. A 'Reports Range' bar chart shows activity over 21 weeks.

START

MEMBERS

This screenshot shows the 'Students' list for the 'Asal' group. The list includes:

- Zaid Shraim
- Dalia Dwiekat
- Ameer Hamdan

An 'OK' button is visible at the bottom of the list.

A faded background version of the dashboard screenshot, showing the same elements as the main image but with reduced opacity.

# FILTRATION

# COMPANY MANAGE

SEARCH COMPANY  
ADD COMPANY

The screenshot displays the TRAINLINK web application interface. The browser address bar shows 'localhost:51539'. The application has a dark blue sidebar with the following menu items: Overview, Highlights, Company Manage (selected), Report Tracking, Student Review, End of training, and Forms. The main content area is titled 'End of Partnership' and features a search bar with the letter 'H' entered. Below the search bar is a table with the following data:

<input type="checkbox"/>	Id	Name	Delete
<input type="checkbox"/>	12333	Harri	
<input type="checkbox"/>	12777	Foothill	

To the right of the table is a 'New Partnership' form with two input fields: 'Company Name' and 'Company ID'. Below the form is an 'Add Company' button and an illustration of two people shaking hands in front of puzzle pieces.

# COMPANY MANAGE

# DELETE COMPANY

The screenshot shows the 'Company Manage' section of the TrainLink web application. A 'Delete Confirmation' dialog box is displayed, asking for confirmation to delete the company 'Foothill (12777)'. The dialog includes fields for 'Reason for deletion', 'Date of Deletion', and 'Company ID'. The 'Company ID' field is currently empty, which is why an error message is shown below.

Id	Name
<input type="checkbox"/> 12222	ITG
<input type="checkbox"/> 12444	Asal
<input type="checkbox"/> 12555	Exalt
<input type="checkbox"/> 12333	Harri
<input type="checkbox"/> 12777	Foothill

The screenshot shows the 'Foothill' company profile in the TrainLink mobile application. A 'Deletion Alert' notification is displayed, indicating that the company has been successfully deleted. The notification includes the company name 'NNU', the reason for deletion 'Negative feedbacks', and the date of deletion '2024-01-30'.

Error: Please provide a valid reason and company ID.

Foothill Company deleted successfully.

# REPORT TRACKING

ADD FEEDBACK

The screenshot displays the TRAINLINK web application interface. The browser address bar shows 'localhost:51539'. The application has a sidebar menu with the following items: Overview, Highlights, Company Manage, Report Tracking (selected), Student Review, End of training, and Forms. The main content area features a table with columns: Company, Groups, Student, and Report. The table contains the following data:

Company	Groups	Student	Report
<input type="checkbox"/> Exalt	<input checked="" type="checkbox"/> React-24	<input checked="" type="checkbox"/> Eman Othman	<input checked="" type="checkbox"/> Week1
<input type="checkbox"/> Asal		<input type="checkbox"/> Rama Odeh	<input type="checkbox"/> Week2
<input checked="" type="checkbox"/> ITG			<input type="checkbox"/> Week3
<input type="checkbox"/> Harri			<input type="checkbox"/> Week4

Below the table, there is a feedback section for the selected student, Eman Othman. It includes a profile card with the following details:

- Name: Eman Othman
- ID: 12011111
- Weekly working days: 3
- Weekly office hours: 26
- Weekly field working hours: 0

The feedback section also shows a comment from ITG: "Great Job Eman" with a thumbs up icon and three smiley face emojis. Below this is a comment form for NNU with the placeholder text "Add your comment..." and a "Send" button.

# REPORT TRACKING

SHOW FEEDBACK

The screenshot displays the TRAINLINK web application interface. The browser address bar shows 'localhost:51539'. The application has a dark blue sidebar with the following menu items: Overview, Highlights, Company Manage, Report Tracking (highlighted), Student Review, End of training, and Forms. The main content area features a search bar and a table with columns: Company, Groups, Student, and Report. The table contains the following data:

Company	Groups	Student	Report
<input type="checkbox"/> Exalt	<input checked="" type="checkbox"/> React-24	<input checked="" type="checkbox"/> Eman Othman	<input type="checkbox"/> Week1
<input type="checkbox"/> Asal		<input type="checkbox"/> Rama Odeh	<input type="checkbox"/> Week2
<input checked="" type="checkbox"/> ITG			<input checked="" type="checkbox"/> Week3
<input type="checkbox"/> Harri			<input type="checkbox"/> Week4

Below the table, there are two feedback cards. The first card shows the ITG logo and a row of five smiley face icons. The second card shows the NNU logo and the text 'Keep going'. To the right of these cards is a detailed view for the student 'Eman Othman' with the following information:

- Name: Eman Othman
- ID: 12011111
- Weekly working days: 3
- Weekly office hours: 20
- Weekly field working hours: 0

# SYUDENT TRACKING

# SHOW STUDENT PROGRESS

The screenshot displays the TRAINLINK web application interface. The browser address bar shows localhost:51539. The application has a sidebar menu with the following items: Overview, Highlights, Company Manage, Report Tracking, Student Review, End of training, and Forms. The main content area features a table with columns for Company, Groups, and Student. The table lists several entries, with the 'Ameer Hamdan' entry highlighted. Below the table are two donut charts: 'Reports Done' (7 Done, 14 Not yet, 33% Done) and 'Number of hours Done' (210 Done, 90 Not yet, 70% Done). On the right side, there is a student profile card for Ameer Hamdan with ID 12020202, showing 210/300 university hours done, a GPA of 2.45, a start year of 2020, and an expected graduate year of 2024. An illustration of a person holding a certificate is also present.

Company	Groups	Student
<input type="checkbox"/> Exalt	<input type="checkbox"/> Flutter-24	<input type="checkbox"/> Zaid Shraim
<input checked="" type="checkbox"/> Asal	<input checked="" type="checkbox"/> Angular-24	<input type="checkbox"/> Dalia Dwiekat
<input type="checkbox"/> ITG		<input checked="" type="checkbox"/> Ameer Hamdan
<input type="checkbox"/> Harri		

**Reports Done:**

33%

**Number of hours Done:**  
Done : 210  
Not yet : 90  
70%

**Name: Ameer Hamdan**  
**ID: 12020202**  
**Number of University hours done: 210/300**  
**GPA: 2.45**  
**Start year: 2020**  
**Graduate year expected: 2024**

END TRAINING

SHOW TRAINING

The screenshot displays the TRAINLINK web application interface. On the left is a sidebar with navigation options: Overview, Highlights, Company Manage, Report Tracking, Student Review, End of training (highlighted), and Forms. The main content area is divided into three sections:

- Table:** A table with columns 'Id', 'Name', 'Group', and 'Semester'. It contains one row for 'Asal' with ID '12444', group 'JS-2024', and semester 'Spring'. There are checkmarks in the first two columns.
- Profile Card:** A card for 'Asal' in a 'JavaScript' training. It shows 'Number of students: 4', 'Number of hours: 300', 'Start: 2024-1-28', and 'End: 2024-1-28'. There are buttons for 'View students name' and 'Training about JavaScript'.
- Feedback Students:** A section with two student reviews:
  - Raghad Deraweh:** 4.5 stars, "very useful experience."
  - Hala Shraim:** 5 stars, "very useful experience."
