# PROJECT OVERVIEW

Little Steps is an app & website  
dedicated to new moms with  
infants aged 0-2 years

The screenshot shows the login interface for the Little Steps app. At the top, the Little Steps logo is displayed. Below the logo, a message reads "Please, login with registered account!". There are two input fields: "Email Address" with an envelope icon and "Password" with a lock icon. A "forget password?" link is located below the password field. At the bottom, there is a blue "Log in" button. The entire screenshot is framed by a yellow border with decorative elements like a pink starburst, a pink swirl, a watermelon slice, and a grey flower.

### How to Bottle-Feed a Baby

Once your bottle is prepared and at the ideal temperature (find more details on these below) time to start feeding your baby.

First, find a position that's comfortable for you safe for your baby.  
Hold the bottle at a horizontal angle so that your little one has to gently suck to get the milk.  
Be sure that the milk fills the entire nipple so th

You've dreamed of your baby-to-be for nine months, and now your precious bundle is finally home. You're bound to be flooded with emotions, from over-the-moon happiness to over-the-top nervousness. And whether you're a first-time parent or a veteran, you're likely to have a lot of questions.

At your first well-baby visit, usually scheduled within a week after birth, your baby's doctor will answer those questions and address your concerns. He or she will also perform a complete examination of your new arrival. Here's what you can expect.
