## **A Lecture on Water Issues in Palestine Held at An-Najah:**

---

23/6/2009

As part of the RJI's lectures of the Leadership Training Institute 2009, a lecture was held at Zafer Al-Masri Auditoriums at An-Najah National University's Old Campus. The lecture titled "Water Issues in Palestine" was given by Mr. Atef Abu Jaish, from the Water and Environmental Studies Institute at An-Najah.

Mr. Atef talked about many aspects regard this issue: the distribution of water sources and Israel control over these sources, dramatic disparity in water use among Israel and the Palestinians, effects of pollutants- the wadis suffer widespread dumping by Israeli settlements and other related issues.

The water issues in Palestine, as the participants agreed in the lecture, are of great importance as they relate to the current and future situation of Palestine. The lecture was attended by the University's students, international volunteers and academics of the faculties of the university.
