

# Marriage Contracts And Oral Narratives: Women And The Mahr

Prof.dr. Annelies Moors

Co-director research programme Globalizing Culture

Director Muslim Cultural Politics

Amsterdam Institute for Social Science Research

Department of Anthropology and Sociology

This presentation centers on changes in the meaning of the mahr for women in the Nablus region from the 1920s to the late 20th century. The main focus is on the kinds of information that the marriage contract and women's narratives present, and what that tells us about the meaning of the mahr for the women concerned.
