Competency Management System (CMS)

By : Alaa' Al-Hattab

Walaa' hashayki

Main features :
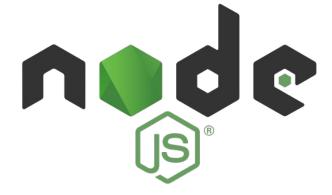

* Smart search
* Creating CV's
* Quizzes
* Exams from companies

# What did we used :

Firebase Firestore

HTML

CSS

JavaScript

Problems:

* Firebase
* Existed websites
* Quizzes
* Search algorithm

Future work

* Improving search algorithm.
* Increasing the number of quizzes.
* Adding more CV's formats.
* Expanding target group.
