Why Cleanco ?

Motivations

-  There is a gap between cleaning companies and customers
 -  Lack of application supports cleaning companies and customers
 -  Lack of applications to support startups
 -  Difficulty in completing all the cleaning tasks
- 

The background is a white canvas decorated with various blue watercolor elements. There are several large, soft-edged blue washes in shades of light and medium blue. Scattered throughout are numerous small, dark blue dots and splatters of varying sizes. A prominent feature is a series of parallel, slightly curved blue lines that resemble a brushstroke or a stylized 'Z' shape, located in the upper right quadrant. The overall aesthetic is clean, artistic, and modern.

The background features abstract blue watercolor splatters and brushstrokes of varying sizes and shades, creating a textured, artistic effect. The colors range from light sky blue to a deeper, more saturated blue. The splatters are scattered across the white background, with some larger, more defined shapes and many smaller, finer droplets.
